RE: Important Information on Price Adjustments

Dear Chairman and Members of the Board:

We are committed to constantly improving our customers' entertainment and communications experience in your community, and we continue to invest in making their services even better. As we make these and other investments, we periodically need to adjust prices due to increases we incur in programming and other business costs. Starting December 20, 2014, new prices will apply to select XFINITY TV and Internet services and equipment as reflected in the enclosed notice.

Among these price changes, we have itemized a Regional Sports Fee for customers receiving Expanded Basic and Xfinity Latino 450 service tiers and above to offset the rising costs of delivering regional sports networks. In addition, we have improved our Digital Adapter Additional Outlet service so that our Family Tier, Digital Economy, and Latino tier customers receive the same channel lineup on their primary and additional outlets. Starting December 20, 2014, the Digital Adapter Additional Outlet service fees for these customers will be \$2.99.

We are committed to providing our customers with a consistently superior experience, including 24/7 customer service and on-time arrival—or we'll credit the customer \$20 or provide a free premium channel for three months. We back up our services with the Comcast Customer Guarantee (visit www.comcast.com/guarantee for details).

We know you may have questions about these changes. If I can be of any further assistance, please contact me at 508-543-9022, ext. 37804.

Sincerely,

Catherine Maloney
